### QUOTE OF THE WEEK

*Its one thing  
to live in  
Faith  
And another  
To live By  
Faith*

*The Kingdom of faith is now your home country...Ephesians 2:219(MSG).*

**F**aith is one of the most emphasized topics of the bible. It's attributed to success and victory in life and it is the backbone to pleasing God.

In fact we are admonished to do everything from Faith.

He says, '...this Faith, is the firm foundation under everything that makes life worth living.' Hebrews 11:1 (Message Bible). Faith makes life worth living. It is not just one of the words in your vocabulary. It's a spirit that beautifies life. (2 Corinthians 4:13)

The bible gives a testimony of Faith. He said it set our fathers above the crowds. They obtained a good testimony by Faith.

They subdued kingdoms, wrought righteousness, turned to flight the armies of the aliens. He said they quenched the violence of fire and stopped the mouths of lions. (Hebrews 11:32-38)

This was achieved only by Faith, not in Faith.

Thus in this Volume, we will mainly dwell on *Operating 'By Faith'* rather than *'In Faith.'*

*For* it is possible for a Christian to act in Faith and still fail. We have been to that plane quite long. And we couldn't figure out why. We were troubled because that we knew we had Faith but it seemingly didn't work. Brother, its true you did it in Faith (What the Amplified calls 'in the hope of Faith') but not by Faith.

It is possible for someone to quit taking drugs in Faith and we bury them. But they would live health if they did it *By Faith*. See, the bible says that Faith has works. If your Faith has no works, it is dead faith. Its not alive. If its alive, it will make you to do and say certain things. *Note that you will not try to do or say.* No! Faith will move you. That is the spirit of Faith. I have been to deliverance and healing sessions where I have done things without prior mediation. Even in prophecy, it's the same spirit at work. It is very possible to say something under the *nabbi* anointing without even having a clue of what you said. The spirit of Faith activated causes us to do things by faith.

When He says By Faith Abel offered a better sacrifice. It means you can get the best out of your house and take it to God By Faith. And if you happen to get to your carnal senses, you begin to wonder; how it could be. That's faith at work, not you working in Faith.

And in this volume, I want to handle on how to come onto this dimension of operation by faith...

Please continue with us in the next issue.

# Ancient Paths

*...Nevertheless when the Son of man cometh, shall he find faith on the earth? Luke 18:8*

With Pr. Scott

In the Western influenced mindset, Faith is an awareness that someone exists and/or that they will act. So if such a mindset said, 'I have Faith in God' they would actually be meaning that they know that God exists and because of that, He would act.

However, Yeshua gives us a glimpse into a Hebrew mindset on Faith in Luke 18:1-8. He gives a parable about an unjust judge and sums it up with a very eye-catching statement saying,

*And shall not God avenge his own elect, which cry day and night unto him, though he bear long with them? I tell you that he will avenge them speedily. Nevertheless when the Son of man cometh, shall he find faith on the earth? Luke 18:7-8.*

In this context, Faith (in the Hebrew mindset) meant commitment in the face of opposition; it meant perseverance. Faith here is actually Faithfulness.

The Hebrew word is; **emunah**. It comes from the word **eman** which means to securely trust or rely upon. (The Arabic borrows from the same. If you ever heard a Muslim say, I have **iman!**-a kind of whole hearted determination).

Besides securely trusting and relying, **eman** also means to nourish and to support.

If you believe God, you will support God. Like in a marriage, a wife comes along as a helper. Now the church, which is the bride of Christ is called to the same ministry. Our faith upholds the Torah (the instruction and teaching of the Lord-which is wrongly translated as the Law in many passages). He asks,

***Do we then make void the Torah through Faith? God forbid. Yea we establish the Torah.*** Romans 3:31. Faith stands and uphold the WORD of God even in the fiercest times of adversity.

Habakkuk 2:4

Behold, his soul which is lifted up is not upright in him: but the just shall live by his faith. Paul quotes the same scripture in Romans 1:17, Galatians 3:11 and Hebrews 10:38. In the Hebrew, that verse (*yich-yeh be emunah to ve tzadik*) means; ***But the Just by his Faithfulness shall live!*** Your Faithfulness to the word is what keeps you alive!

Now, this is the sum of it all; **our behavior will reveal what we believe and what we believe will manifest in our behavior.**
